There and back again safely

“Here in the Yukon and across Canada, we are united by a common goal and a shared commitment to improving road safety.”

Darrell Pasloski
Premier

A Personal Message from the Premier

On behalf of the Government of Yukon, I would like to welcome you to the territory for the 75th Annual Meeting of Canadian Council of Motor Transport Administrators.

Here in the Yukon and across Canada, we are united by a common goal and a shared commitment to improving road safety. Ensuring that we are able to travel “there and back again safely” is indeed a collective responsibility; we must all be stewards of road safety as we strive to enable the safest and most efficient movement of people and goods.

I look forward to the week ahead and am sure it will be a productive forum for exchanging success stories of policy and practice and building on the substantial progress demonstrated over the past year, highlighted by a close to 20 percent drop in serious injuries resulting from motor vehicle collisions. With the continued leadership of motor transport administrators like you, I am confident we can sustain this momentum throughout the remainder of 2015 and beyond.

It is a privilege to host you in Whitehorse over the next week and I wish you a memorable stay here in the “Land of the Midnight Sun”.

Darrell Pasloski
Premier

A Message from the Minister

It is a great pleasure to welcome you to the Yukon for the 2015 Annual Meeting of Canadian Council of Motor Transport Administrators. No doubt you have travelled far to join us here in Whitehorse, and for that I thank you. I look forward to a week of productive meetings and working with you to find new and innovative solutions to road safety challenges.

For us in the Yukon, “there and back again safely” isn’t just the theme of this year’s event; it’s also what motivates our work every single day as we build and maintain more than 5,000 km of roads throughout this vast territory. I hope you get a chance to venture out on our storied highways and discover for yourself what gives Yukon its famed “Larger Than Life” appeal.

Scott Kent
Minister, Highways and Public Works

“I look forward to a week of productive meetings and working with you to find new and innovative solutions to road safety challenges.”

Scott Kent

City of Whitehorse

Welcome to the City of Whitehorse

On behalf of the City of Whitehorse, it is my sincere pleasure to welcome the Canadian Council of Motor Transport Administrators (CCMTA) to Whitehorse.

We are privileged and proud that CCMTA is hosting your Annual Meeting here in Whitehorse. I understand this is Canada's premier road safety industry conference. This year's theme, "there and back again safely" reflects a vision that we all share.

The City of Whitehorse is committed to road safety. Like cities across the country, we are only too familiar with the ongoing safety concerns on our roads. We are working with our government partners and others to improve safety for all drivers, cyclists and pedestrians. You can see some of these improvements throughout Whitehorse, including new roundabouts, paved pathways, and pedestrian crossings.

As a municipal government, we are also focused on transportation demand management. Last year, we approved a plan that outlines a suite of initiatives that the City and our citizens can implement together for the next 25 years.

Thank you for coming to Whitehorse. I wish you a successful meeting and I hope you enjoy some of the rich opportunities you can experience in our community.

Sincerely,

CITY OF WHITEHORSE
Dan Curtis
Mayor

Dear CCMTA colleagues, associates and delegates:

Welcome to my home town – beautiful Whitehorse, where the people are friendly, the scenery awe-inspiring, and the summer light is ever present in June. It is a pleasure to host this year's CCMTA Annual Meeting in Canada's most northwestern jurisdiction.

The theme of the 2015 meeting, "There and back again safely", is one that is familiar to the region. In the Yukon, we pride ourselves on ensuring visitors and locals can tour and travel the area safely and securely, wherever they are going and whenever they wish. It is a theme that was ideal for this gathering as well. We recognize that Whitehorse is not around the corner for most of you, and we are grateful to you for making the effort to experience our hospitality.

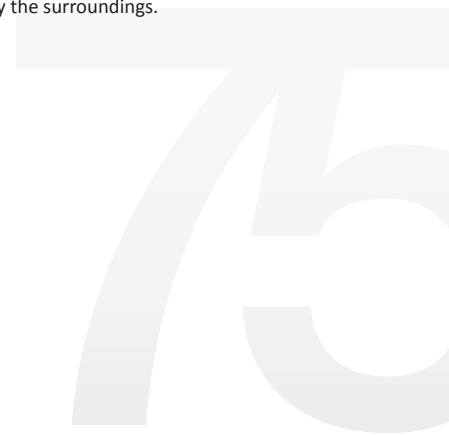

As the largest gathering in Canada of road safety professionals, the annual meeting is a unique opportunity to connect with colleagues, share ideas and learn. We trust you will find the presentations, sessions and networking events valuable and rewarding. And, while you are here, we get to celebrate an important milestone together. CCMTA turned 75 in 2015; that is a legacy, one we can all take pride in. We have arranged a few things to mark the occasion, and we look forward to celebrating with you.

On behalf of CCMTA, thank you for attending this year's event. And, if your schedule permits, I hope you will take the time to enjoy the surroundings.

Warm regards,

Vern Janz
Chair, CCMTA Board of Directors

GENERAL INFORMATION

Registration and exhibition takes place at the **Yukon Convention Centre**, which is located directly next to **Coast High Country Inn**, where the Concurrent Sessions are held. Business program activities are taking place at the **Coast High Country Inn, Best Western Gold Rush** and the **Yukon Inn**. Please refer to the Program (pages 8 and 9) for specific times and locations.

The **CCMTA Staff Office** is located at the **Yukon Convention Centre**. If you need additional information, CCMTA officials and staff – easily identified by their gold lapel badges – can assist you. Host volunteers identified by their yellow golf shirts and black vests are also on hand, ready to provide assistance.

GETTING AROUND

A complimentary shuttle is offered daily to delegates to/from the Coast High Country Inn, the Best Western Gold Rush Inn, the Yukon Inn, and the Yukon Convention Centre. **Please consult the bus schedule in your pocket guide for full details.**

NAME BADGES

Please wear your name badges at all times as it is your passport to all events. A condensed version of the program and refreshment tickets are also included with your name badge. A **name badge recycle bin** is located in each of the meeting venues as well as at the CCMTA Staff Office for your convenience.

INTERNET CONNECTIVITY AND COMPLIMENTARY COMPUTERS

Wireless internet is available throughout the meeting rooms. In addition, there are public computers/ printers available for use on the guest room floors of the Coast High Country Inn and the Best Western Gold Rush Inn. These are located next to the guest elevators. Complimentary wired and wireless internet access is also available in guest rooms.

DAILY TIPS

Be sure to watch for your copy of “**Daily Tips**” delivered directly to your email inbox every morning to learn the latest information about the conference, schedule changes, and highlights from the previous day.

PROGRAM COMMITTEE AND BOARD MEETINGS

Chairs and Vice-Chairs

Board of Directors:
Vern Janz (YT), Paul Arsenault (NS)

Compliance and Regulatory Affairs:
Benoit Cayouette (QC), Vice-Chair Vacant

DOCUMENTATION

As a step towards going green, CCMTA does not provide hard copies of background documentation onsite. Meeting documentation can be accessed from the CCMTA website at ccmta.ca.

SIMULTANEOUS INTERPRETATION

CCMTA is providing simultaneous interpretation for *open* Program Committee and Board of Directors meetings. Interpretation receivers must be picked up before each meeting and returned at the end of each session to the room where it was obtained. Receivers should not be kept overnight as the batteries must be recharged. Please note that each delegate is personally responsible for the return of their receiver and headsets. Failure to do so will result in you having to pay replacement costs of approximately \$500.

EXHIBITION

The **exhibition will take place at the Yukon Convention Centre** located next to the Coast High Country Inn and will serve as the location for most meals provided. To plan your visits and appointments with exhibitors, please consult the exhibition floor plan and directory on pages 15, 16 and 17. Exhibition hours of operation are as follows:

Tuesday, June 16th	08:30 – 09:30 11:30 – 12:30 14:00 – 14:30 15:30 – 16:00 18:00
Wednesday, June 17th	07:30 – 09:00 12:00 – 13:30
Thursday, June 18th	07:30 – 09:00 12:00 – 13:30

WHAT TO WEAR

A business casual dress code is suggested for the duration of the Annual Meeting including the Territorial Banquet. All other events, including the Welcoming Reception and the Networking Evening are considered casual – jeans are permitted. Please refer to the “Social Events” section for more details.

SOCIAL EVENTS

The **Welcoming Reception** takes place in the exhibition hall at the Yukon Convention Centre. This is an opportunity to re-connect with your colleagues and experience a warm Yukon welcome.

The **Networking Evening** is being held under the midnight sun at Mt. Sima Lodge. Nestled in the hills approximately 15 minutes from downtown Whitehorse, Mt. Sima provides breathtaking views of the city, the Yukon River valley and the surrounding terrain and provides the perfect venue to experience the *Spirit of the Klondike* including a traditional Klondike BBQ and an evening full of *rendez-vous style* entertainment and activities.

- **Transportation to/from Mt. Sima has been arranged for you.** Buses can be boarded at the entrances of the three main hotels:

Best Western Gold Rush Inn, Coast High Country Inn and the Yukon Inn. **Please consult the bus schedule in your pocket guide for full details.**

- As this event is **mainly outdoors, please be sure to dress accordingly.** Comfortable walking shoes and layered clothing is recommended. Don't forget to bring your bug spray!
- Interested in a **unique vantage point?** Take the Mt. Sima chair lift to the top of the hill for a picturesque view, incredible photo opportunities and a little treat once you reach the summit.

The **Territorial Reception and Banquet** takes place at the Kwanlin Dün Cultural Centre. Situated on the banks of the Yukon River, the Cultural Centre is where the heritage and contemporary way of life of the Kwanlin Dün First Nation people is celebrated. Before dinner, guests will have the opportunity to visit the exhibits and interpretive displays located throughout the venue. Following dinner and the awards ceremony, you are invited to gather around the Centre's ceremonial fire pit – a place to sit and soak in the beauty of these northern lands, listen to the rushing waters of the Yukon River from the dock area and take in the local entertainment organized for you.

- **Transportation to/from the Kwanlin Dün Cultural Centre has been arranged for you.** Buses can be boarded at the entrances of the three main hotels: Best Western Gold Rush Inn, Coast High Country Inn and the Yukon Inn. **Please consult the bus schedule in your pocket guide for full details.**
- **A business casual dress code is suggested for this event.** Comfortable foot wear and a light jacket is recommended for the outside portion of this event.

A SINCERE “THANK YOU”

CCMTA gratefully acknowledges all organizations that provided financial support to the 2015 Annual Meeting, see the inside front cover of the program for a full list of sponsors.

CCMTA also extends a huge “thank you” to the volunteer staff from Yukon who have worked diligently and have provided excellent support in hosting this year's Annual Meeting.

Yukon's Google Glass In-Service Road Safety Review Pilot

Presenters:

Amanda Price, *Transportation Program Development Coordinator, Yukon Government, Highways and Public Works*

Craig Milligan, *P.Eng., Transport Infrastructure Specialist, Fireseeds North Infrastructure*

In-service road safety reviews (ISRSR) are a cornerstone of quantitative road safety management programs. After applying network screening tools to collision data, priority sites are selected for an ISRSR, which is an in-depth engineering study to identify short and long-term improvement opportunities. Yukon Government, Highways and Public Works, Transportation Engineering Branch, with Fireseeds North, conducted the world's first pilot application on Google Glass technology to ISRSRs as part of a 2015 national pilot. Google Glass allows: (1) hands free gathering of annotated, geo-referenced field information; (2) visualization of collision information while in the field; and (3) communication with off-site experts. This presentation will summarize the Yukon pilot, covering the role of ISRSRs in road safety management, the technology used, site selection, results from the five sites, technology evaluation criteria and results, and a summary of the larger national pilot program.

SESSION 2

Coast High Country Inn, Conference Room B1

Auto Theft Suppression in Manitoba - Partnerships and Innovative Strategies to Success

Presenter:

Ward A. Keith, *Executive Director, Driver Safety, DVA Administration & Registrar of Motor Vehicles, Manitoba Public Insurance*

In the mid-2000's, Manitoba's auto theft rate was 2.5 times the Canadian average and 50% higher than the next closest jurisdiction. Winnipeg had become known as 'the auto theft capital of North America' and auto theft was costing more than \$40 million in direct costs annually. Learn how through careful problem analysis, strong partnerships, innovative strategies, and supporting government regulation, Manitoba was able to reduce auto theft by more than 85% in the City of Winnipeg and successfully address what had become a very serious public safety concern.

SESSION 3

Coast High Country Inn, Conference Room B2

The Use of Simulation in Delivering Driver Training to Remote Canadian Communities

Presenters:

Lesley de Repentigny, *CEO of DriveWise Canada*

Chris Boomer, *Instructor at the North East Native Advancing Society*

An advanced driver training program is playing a major role in the future of a group of young Canadians who reside in North Eastern British Columbia. Through insight, courseware highlights and personal success stories, you will learn how mobile simulation training is opening up economic opportunities to remote Canadian communities.

2016 ANNUAL MEETING: Call for Presentations

We encourage you to submit your presentation ideas for 2016. These sessions are an important and popular feature of the CCMTA annual meeting. Consideration will be given to emerging areas of interest, road safety, or information that is relevant to motor transportation professionals.

Presentations will take place during the 2016 Annual Meeting in Halifax, NS from June 19-22.

Call opens late October 2015

AWARDS

CCMTA bestows two awards during its Annual Meeting. The recipients are chosen based on a competitive process and set of criteria approved by the CCMTA Board of Directors.

Jennie Howie Government Member Award

The Jennie Howie Government Member Award is presented *annually* to a CCMTA member-government representative, an employee or other individual, whose primary function is directly associated with the coordination, administration, regulation, and control of motor vehicle transportation and highway safety, and who has made a significant contribution to CCMTA.

Jennie Howie, who represented the Yukon Territory, became a member of CCMTA's Program Committee on Road Safety Research and Policies in 1993 and was appointed to the Board of Directors in March 1999. She continued to serve the organization as both a Program Committee and Board Member. She was the CCMTA Chair of the Board from May 2000 to June 2001. During her participation with CCMTA, Jennie demonstrated professionalism and dedication. After an eight year battle with cancer, Jennie Howie passed away peacefully on January 5, 2005. In honour of Jennie's many contributions to CCMTA, the CCMTA Government Member Award was renamed the Jennie Howie Government Member Award in May 2006.

Associates Award

The Associates Award is presented *annually* to an individual or organization who is an associate of CCMTA and who has made a significant contribution to CCMTA.

The 2015 recipients of the Jennie Howie Government Member Award and Associates Award will be revealed during the Territorial Banquet, Thursday, June 18th.

Distinguished Service Awards will also be presented to Chairs of Program Committees, and the Board of Directors, who have completed their chairmanship.

Be sure to attend the Banquet as we thank these deserving individuals and celebrate their contributions and efforts.

Honouring those that make a difference

Do you know a deserving individual or organization CCMTA should recognize?

If so, please consider nominating them for one of the CCMTA annual awards. Application details available in February 2016.

MESSAGE FROM THE EXECUTIVE DIRECTOR

The Canadian Council of Motor Transport Administrators (CCMTA) extends a warm welcome to the Yukon.

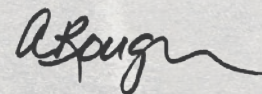

We are extremely grateful to the Yukon Department of Highways and Public Works and the organizing committee for hosting this year's meeting during our 75th anniversary year.

Every occasion to come together is an opportunity to further the CCMTA mission and share in addressing Canada's road safety priorities. Having the chance to dialogue with colleagues, delve into issues of mutual interest and find solutions, can pave the way for us to have the safest and most efficient movement of people and goods by road in the world.

The Yukon organizers and CCMTA staff have taken great effort in planning the event and our generous sponsors and exhibitors have made important contributions to enable its success. We are grateful for their support.

While perusing the meeting program, should you have any questions concerning the presentations, exhibits or extra-curricular activities, please let the CCMTA staff or Yukon host jurisdiction know; we are here to assist.

I wish you a great meeting.

Allison Rougeau
Executive Director
