

CCMTA Customer Service Accessibility Standard Plan

Purpose

CCMTA is committed to providing the highest quality services to its members and customers. The following document outlines its plan to meet the requirements of the Ontario Accessibility Standard for Customer Service, most notably with regards to the following CCMTA products and services:

- Sales, renewals and communications
- Annual Meeting registration and attendance
- Meeting participation
- Publications ordering services
- Interprovincial Record Exchange (IRE) services

Scope

This plan applies to all CCMTA employees, as well as to its volunteers, consultants, external partners, etc., who interact in any way with customers or are involved in the development, design, or implementation of policies, processes, procedures, or practices affecting customers.

Definitions

As defined in the Accessibility for Ontarians with Disabilities Act 2005 (AODA), or the related Ontario Regulation 429/07, Customer Service Standard:

'Accessibility' refers to the ease with which a product, service, environment or facility can be used by all people within the widest range of abilities.

'Disability' refers to:

- a) any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device;
- b) a condition of mental impairment or a developmental disability;
- c) a learning disability or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language;
- d) a mental disorder; or

- e) an injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997.

'Barrier' refer to anything that keeps someone with a disability from fully participating in all aspects of society because of their disability, including a physical barrier, an architectural or structural barrier, an information or communication barrier, an attitudinal barrier, a technological barrier, a policy or practice (systemic) barrier.

'Customers' refers to CCMTA's government members, associates and the general public.

'Support person' refers to a person who accompanies a person with a disability to help with communication, mobility, personal care or medical needs or with access to goods and services.

'Service animal' refers to an animal that is used by a person with a disability, except where excluded by law, where it is readily apparent that the animal is used for reasons relating to the disability or where the person provides a letter from a physician or nurse confirming that the person requires the animal for reasons relating to the disability.
